

A Message from Fr. Jim

As summer moves along many things are happening around parish. The new bathroom in the church is operational and looking good, although there are a few details being worked on. The handicap ramp is coming along and will look beautiful. People are streaming in and out of church on Thursdays for adoration. What a blessing that is for our parish! I would like to encourage especially our children and families to come to adoration during vacation. What a great way to gain wisdom and peace of heart!

On this Wednesday, the 9th of August after 6:30 p.m. mass I will be giving a talk to further our adult education in the parish. I will speak on *Freedom, the Fall & Redemption* and then will answer any questions. All are welcome! Bring a friend!

Hey Kids, What are you doing August 10th? Come on over to the parish for a morning of stories, fun and food. All are welcome regardless of age-bring your friends, parents, grandparents... join us for mass at 8:30 and stay for the fun to follow.

God Bless,
Fr. Jim
